Dear Dr. Phillips:

News aired a story about missing school funds. The [illegible] Fox [illegible] presents that the money was tax dollars instead of [illegible] report misrep[illegible] [illegible] actually caught these thefts. The [illegible] The truth is, the [illegible] [illegible] interviews disclosed the facts [illegible] system personnel [illegible] [illegible] interview, I was [illegible] [illegible] report that financial controls in place wo[illegible] [illegible] NOT tax dollars.

The facts are, the controls found the thefts, the money was not taxpayer dollars, but fund raising money and these funds were repaid.

Sincerely,

Anthony Holt
