

SEALING AND STRIPING
Addendum 1
BID #20160930

There has been a question regarding the repair and patchwork needed at the locations. Please include this addendum form with other bid forms to include a separate line item for repair and patchwork.

The County is aware of some repair and patch work necessary at TN Rehab Center, Gallatin Health Department, and Odoms Bend Sheriff's Building. All respondents shall conduct a site visit to all project locations prior to submitting a proposal price. Respondents shall be totally responsible for all measurements to ensure pricing accuracy.

Upon bid award, contractor shall meet with County to ensure all repair and patch work necessary is included in scope and per specification. Please ensure you include pricing for necessary repair and patch work.
